Christopher Armond

House of Heralds is a multi-cultural Atlanta-based PR, Talent and Experiential Events agency. With our bold, innovative approach to PR, we help purpose-driven brands engineer influence and develop comprehensive business strategies to help them amplify their messaging. Since its conception, our purpose has been to serve those underrepresented audiences and help them to create equity and pride in the communities in which they live and work. If we want the best, we must create it. We are excited to continue to collaborate with our clients to have a positive influence on our communities.
